Subject: **WORKPLACE SAFETY AND INFECTIOUS DISEASES LEAVE**

Dear all,

In order to keep healthiness for all employees and help certain members who are getting infectious diseases, the Management has approved:

Where a hospital certifies that an employee has infectious disease, the employee may be granted up to infectious diseases leave with full pay.

In general, infectious diseases leave would be approved for pinkeye (bệnh mắt đỏ), trachoma (bệnh mắt hột), chicken pox (bệnh thủy đậu), whooping cough (bệnh ho gà), flu (bệnh cúm) and others infectious disease which is spreading through respiration (infectious diseases will be updated by HR time to time).

Applications for infectious diseases leave must be supported by a medical certificate which may be submit later specifying the disease.

Leaders are required to arrange for the persons to take the necessary leave.

This policy comes into effect from 1st October 2013.

Thank you for your attention.
